Dear Sample A. Sample,
Here comes another summer weekend on the water. Lazy days. Warm sun. Cool breezes. But before you slide into that captain's seat, let's review the boater's essential weekend checklist.

- Fishing equipment? Check.
- Camera? Check.
- Fido? Check.

Here's one to add: Insurance to protect it—and help you save money—from Progressive.

Saving is even easier with Progressive's Disappearing Deductibles feature*. For every year you don't have a claim, we'll lower your deductible by another 25 percent. So, after four years, you'll have **absolutely no deductible**.

That means if you have a claim, we'll pay for everything up to your policy's limits. Depending on your selected deductible, you could save **\$500—or even \$1,000**. Now that's big savings!
